## **Job description**

**Apply Now**

**Urgently hiring**

**Dartmouth, NS**

**Hourly Employment**

**Who we are:** We are a full service sign company which has been in operation for more than twenty-five years. Our manufacturing and installation teams are experienced and committed to the quality of products and services we provide. As United Sign, we are proud to be of service to help brand the Maritime business communities, and proud of the examples of our work which contribute to the image of our provinces.

**Who we want:** We are looking for people who have knowledge and experience with power tools such as drills, impacts, saws, and other mechanical non-power tools. Must be willing to work under various weather conditions, able to work at different heights and to work evenings/nights/early mornings as required. Must be dependable, have a good eye for detail and able to consistently provide top quality work.

**Qualifications:**

- Fall arrest and lift certificate
- Experienced with power tools such as drills, impacts, saws, and other mechanical non-power tools.
- Must be dependable and have a good eye for detail and be able to consistently provide top quality work.
- Able to lift and carry heavy equipment or signs if required.
- Excellent written and verbal English communication and good customer service skills
- Laborer / Construction worker experience (1 year minimum)
- Able to work nights and weekends

**Bonus:**

- Experience in Signage and Vinyl/Graphics Installation would be a bonus

**Compensation:**

- Access to Group Health Care Program
- Opportunities for Growth/Advancement
- Salary: commensurate with your education, training and experience
