

Body Prep Work

Atec Signs Inc is an industry leader in the sign business. We are continuously involved in some of the most exciting manufacturing and installations around the GTA and across the country. Our Brampton, Ontario manufacturing facility produces some of the most unique and complex signs and architectural elements ever dreamed up by designers. We are also a top provider of large format digital LED screens, message centres and electronic billboards. This part of the industry is growing exponentially and Atec is always involved in some of the biggest projects.

We are currently seeking energetic, self-motivated individuals with experience in Body Prep for our Paint Department.
