

Jr. Fabricator Designer

Job description

Curb Signs Inc. specializes in creating a variety of custom signs, and provides a number of other services to cater to our clients. We are seeking fresh minds that are interested in a challenge and a place to grow.

To be successful in this role, you must be a team player, have the drive to learn, and desire to turn a concept into reality.

Job Duties:

- Assist in sign projects, and support team leads in production/fabrication
- Utilize Adobe Illustrator to create mockups and vector files for CNC machines
- Organize materials as well as maintain and operate machinery, equipment, and tools.
- Inspect signage and advise supervisor immediately of any issues

Job Qualifications:

- Background in Graphic Design, Industrial Design, or Environmental Design
- Experience using Adobe Illustrator
- Previous experience in manufacturing is an asset

Company Media:

- See out latest projects at <https://www.instagram.com/curbsignsinc/>
- Check out our website at <http://curbsigns.ca/>

If you would like more information about the role or company, feel free to contact the HR Department at (905) 713-8070.

Job Type: Full-time

Job Types: Full-time, Permanent

Salary: \$19.00 - \$25.00 per hour
