

# Welder/ Fabricator

## Job description

We are looking for a team player to join our Fabrication Team. In this role, you will be tasked with building signage utilizing your knowledge of materials, welding, and fastenings

Shift:

- Monday to Friday; 9:00am to 5:00pm
- Overtime available

Job Duties / Responsibilities:

- Interpret technical drawings, and determine the best method of creating signage
- Use tools and equipment to cut, drill, machine, and weld materials
- Prepare and paint projects
- Place and wire LEDs and other related components
- Ensure signs are functional and structurally sound prior to installation
- Other duties as assigned

Job Qualifications / Requirements:

- Previous welding/fabrication experience
- Familiarity with various materials in order to fabricate products (e.g. Aluminum, Steel, Acrylic, etc.)
- Understanding of methods of fastening (e.g. Bolting, etc.)
- Previous sign industry experience is an asset

Job Types: Full-time, Permanent

Salary: \$22.00-\$25.00 per hour
