Sign Fabricator – Full Time Position

Position of Sign Fabricator is open for applications.
Here's a bit of what we're looking for - is this you? Send us an application!
Custom sign fabrications for an array of customers, mainly indoor retail spaces within airports, across North America. Collaborate with our seasoned team & share ideas, review architectural drawings & signage shop drawing details for production plans with our PM's and floor managers.

Experience in signage industry considered an asset:

- Hand & Power Tools knowledge
- Fabrication skills
- Read & interpret shop & engineering drawings (with training)
- Motivated to meet schedules
- Crate building
- Work safety
- Adobe Suite program knowledge (asset)
