Job Posting

Current as of May 2025

Title: **Construction Foundation Specialist (Installation Division)**

Position Details:

- Full-Time, Permanent
- Hourly
- On-Site
- Schedule: Monday to Friday
- Hours of Work: 7: 00 a.m. to 3:30 p.m. (With eligibility for overtime)

Location: Cornwall Road, Oakville, ON

Summary:

We are seeking a detail-oriented **Construction Foundation Specialist**, to transport and install a variety of signs. In this role, you will be required to ensure that the designs meet clients' specifications, prepare the signs for mounting, and manage the placement and installation of the signs, as well as provide training, support and guidance to other Installation Technicians.

To ensure success as a **Construction Foundation Specialist**, you will need to be highly organized, have good knowledge about the types of signs, and be comfortable working at heights. An outstanding sign installer will demonstrate precision and possess a sound understanding of the applicable construction and installation techniques.

The primary responsibilities and duties include, but are not limited to:

- Mounting and installing signs while strictly adhering to measurements and all safety protocols
- Reviewing and comprehending blueprints or work order specifications to determine layout and installation procedures.
- Safely loading and transporting signs, tools, and materials to installation locations
- Preparing installation sites by removing old signage, preparing surfaces or structures, and securing electrical connections
- Ensuring precise measurement, placement, connection, and installation of sign
- Clearing debris and materials from sites post-installation
- Performing necessary maintenance and repairs on signs, as needed
- Loading and unloading all the materials and equipment necessary to complete your project
- Loading of heavy equipment and machinery
- Driving and operating a Digger Derrick
- If required, work with a hydro -vac contractor when required
- Breaking and removing concrete and pouring concrete
- Installing rebar and excavating dirt.
- Collaborate with our PM team to understand the landscape and manage effective documentation.
- Provide periodic updates, maintain records, and report progress to the Supervisor.
- Responsible for minor concrete repairs, build and strip formwork
- Following all health and safety regulations
- Utilizing hand and power tools and maintaining equipment in accordance with safety standards

Media Resources Inc.**Job Posting**
