Professional Signage Installer

Company Overview

AG Event Graphics Inc is a leading provider of signage solutions. We thrive in a fast-paced environment where our dedicated team takes pride in delivering high-quality projects that meet and exceed customer expectations. Our commitment to excellence is reflected in our products and the satisfaction of our clients.

Summary

AG Event Graphics Inc (Askguy.ca) is adding to our dedicated team of Signage Professionals. We are currently seeking a highly skilled and disciplined Sign Installer to join our installation team. We require a motivated individual with expertise in sign installations, comfortable operating specialized equipment, and able to travel throughout Southwestern Ontario. This role offers flexible hours, excellent benefits, and the opportunity to be the face of our quality brand.

Responsibilities

- Sign Installation: Lead and execute the safe and timely installation of a variety of sign types (e.g., channel letters, pylon, fascia, banners, etc.)
- Equipment Operation: Proficiently operate sign bucket trucks and crane trucks for various on-site applications.
- Field Travel: Regular travel to cities and towns across Southwestern Ontario is required to complete installations.
- Tool Proficiency: Demonstrate proficiency with all standard power tools, hand tools, and measuring equipment required for professional sign installation.
- Customer Interaction: Act as a professional representative of Askguy.ca, ensuring clear and polite communication on job sites.
- Team Support: From time to time, you will be expected to assist with minor sign assembly or production tasks in the shop as needed.

Qualifications and Assets

Required

- Self-Motivated & Disciplined: Must be a self-starter, highly disciplined, and capable of managing job sites independently or as part of a small team.

- Communication Skills: Must be well-spoken with strong verbal and written English skills. Candidates must successfully complete an entry exam demonstrating basic math and writing skills.

- Driver's License: A valid G-Class Driver's License is mandatory.

- Clear Record: A clean driving abstract and criminal record check is required.

Assets (Not Required, but Highly Valued)

- Advanced Licensing: A DZ-Class Driver's License is a significant asset, demonstrating competency in operating heavier vehicles.

- Sign Experience: Previous experience as a Sign Installer or in a similar field (e.g., rigging, electrical, construction) is a strong asset.

- Welding Skill: Experience with welding is an asset.

What We Offer

- Competitive Compensation

- Flexible Hours

- Excellent Benefits Package

- Overtime pay as needed.

- A Professional and Supportive work environment.

How to Apply

If you possess the required skills, professional approach, and the ability to travel and represent our company with excellence, please submit your resume and cover letter detailing your sign installation experience. We look forward to reviewing your application!
